# MACH 8

HEAT PUMP AIR CONDITIONER

THE NEW AIR CONDITIONER FROM COLEMAN-MACH

ULTRA LOW PROFILE  
HEAT PUMP  
REMOTE CONTROL  
NEW CEILING ASSEMBLY  
LOW POWER CONSUMPTION  
SOFT START

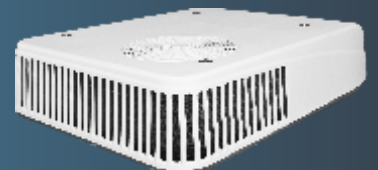

The new Coleman-Mach Heat Pump Air Conditioner for the European Market

With more than 5 million Air Conditioners sold RVP the world's leading manufacturer of rooftop air conditioners brings to the European market through Airva its authorized European importer the new MACH 8.

You will select the new Coleman Mach 8 for:

- its outstanding capacity : 3,1 kW (10.600 BTU)
- its very low and aerodynamic profile
- its silence thanks to its sleeping mode reducing its noise level for the night
- its powerful heat pump ensuring constant indoor temperature on cool evenings
- its very low start up amperage thanks to its soft start
- its easy maintenance
- its remote control

The Coleman-Mach 8 benefits from a two year product warranty
